Dear REM Participants,

Please be advised that the RE Registrar has already re- issued the RECs for **Non-FiT Compliance Mechanism** (i. e. RE generation under Power Supply Agreement and sold in the WESM) corresponding to the January 2018 Billing Period today, **18 October 2021**.

REM Participants (i.e. Distribution Utilities and RES with contracts with RPS Eligible RE Facilities and Non-FiT RE Generators) with issued RECs for the said period are requested to submit the accomplished REC Validation Form using the attached prescribed template on or before **27 October 2021, 05:00 PM**.

Please refer below for the timeline of activities relative to REC Validation and Issuance of **Non- FiT Compliance Mechanism** for **January 2018**:

Schedule	Activities
19 – 27 October 2021	❖ Validation of issued RECs by Participants (i.e. Distribution Utilities and RES with contracts with RPS Eligible RE Facilities and Non-FiT RE Generators)
27 October 2021, 5PM	❖ Deadline for submission of Validation Forms <b><u>via SFTP or email at reregistrar@wesm.ph</u></b> . ❖ Please note that non-submission of the REC Validation Form on the said deadline shall be considered as confirmation of the RECs issued to your company/organization for the subject billing period, per DOE directive.
Within 28-29 October 2021	❖ RER will notify participants via email that the RECs issued for the subject billing month are final

To validate the RECs issued to your company/organization, please log-in to your respective Philippine Renewable Energy Market System (PREMS) account.
