Mr. Aboboto was the Senior Manager for Energy Supply Business of Team Energy Corporation where he was instrumental in forging lasting partnerships with large customers, including distribution utilities. He now heads the Industry Relations Department of Team Energy responsible for advocating the Retail Competition and Open Access' (RCOA) full implementation, more efficient Wholesale Electricity Spot Market (WESM) operations, and highly responsive government policies to benefit both business and consumers' interest.

He is an active founding member of the Retail Electricity Supplier Association (RESA) that seeks to effectively represent the supply sector while promoting the common interest of Retail Electricity Suppliers (RES), and supporting the growth of the Retail Electricity Market by ensuring a competitive playing field and providing high quality service to Contestable Customers.

Mr. Aboboto is the Chairman of the Philippine Electricity Market Board of Directors (PEM Board).
