Advisory Number : REM- 2022-06

Subject : FINAL CALL: Submission of Metered Quantity (MQ) of Voluntary RE Generators (e.g. Net-Metered Facilities, Non- WESM Embedded Generators and RE Generation Facilities for Own Use) by the Host Distribution Utilities

Dear Distribution Utilities,

We thank all those who have submitted their 2018 MQ Data of Voluntary RE Generators relative to the attached **REM Advisory No. 2022-01** sent on 18 February 2022. For those who have not complied with this yet, please be advised that we are extending the deadline of submission until **15 September 2022, 5:00PM**. Any request for extension is discouraged.

Please note that if there is no submission of 2018 MQ data by the said deadline, no RECs will be issued for the subject billing period. Furthermore, if MQ Data for 2019 onwards are already available, you may continue submitting the MQ Data in the PREMS.

If you wish to register voluntary generator/s, please immediately submit electronic copies of the following to the reregistrar@wesm.ph:

1. Duly-accomplished Facility Registration Form in signed PDF and excel formats
2. Supporting Documents as follows:
 - 2.1 For Net-Metered Facility- Net Metering Agreement or Signed Proof of Accuracy of Facility Details
 - 2.2. For non-WESM embedded RE generator with commercial operations 2009 onwards- Certificate of Compliance or Distribution Wheeling Service Agreement
 - 2.3 For RE facility for own-use or self-generating facilities- Certificate of Compliance or Distribution Wheeling Service Agreement or Letter of Consent from the Facility Owner

Should you have any questions or other concerns regarding this Advisory, please send an email to reregistrar@wesm.ph or contact Ms. Pamela Denise B. Cañete at 0917 162 1219 or Ms. Margret Lim at 0905 565 2327.

Thank you.

For the RE Registrar,
