Advisory Number : REM- 2023-01

Subject : Review and Resubmission of Gross Electricity Sales Data for 2018 and 2020-2021 of RPS Mandated Participants in the Philippine Renewable Energy Market System (PREMS)

Dear **REM Mandated Participants**,

Please be advised that the Department of Energy-Renewable Energy Management Bureau (DOE-REMB) has recently provided the RE Registrar with the following updated Gross Electricity Sales Data for purposes of computing the Renewable Portfolio Standards (RPS) obligation of each Mandated Participant:

1. Net Electricity Sales in MWh
2. Net- Metering in MWh.
3. Green Energy Option Program (GEOP) in MWh; and
4. RE for Own-use in MWh

Upon review of the submitted GES data in the PREMS, some Mandated Participants have outdated or different GES Data values when compared to the data provided by the DOE-REMB. In this regard, we kindly request all Mandated Participants to review the GES reflected in the PREMS and submit your updated GES values for 2018, 2020 and 2021, as applicable, via PREMS, using the attached template.

You may refer to the attached PREMS Manual to guide you in submitting your GES data.

Please note that there is no need to submit the annual GES under the following conditions:

1. There are no changes to your previously submitted GES data in the PREMS; or
2. There is no sales data for 2018, 2020 and 2021

We would appreciate your compliance to this advisory or before **15 February 2023**.

Should you have concerns regarding this advisory, you may send an email through reregistrar@wesm.ph.

Thank you.
